Basheer & Edgemore Introduces the New Manor Collection with their Model Grand Opening at Hickory Falls

Tysons Corner, VA (2015) – Basheer & Edgemore is proud to announce the grand opening of its newest neighborhood, Hickory Falls, a new, luxury single family home community located in Woodbridge, Virginia. Overlooking the Old Hickory Golf Course, this thoughtfully planned enclave of just twenty extraordinary homes offers award-winning spacious floorplans in a picturesque setting. This limited opportunity from Basheer & Edgemore, one of the most respected builders in the Washington, D.C. Metropolitan area, starts from the Mid \$700's.

Homes at Hickory Falls offer a variety of designs that include multi-generational features and offer main level guest rooms and baths, elevators, and expansive lower level living options. All homes are built with superior quality craftsmanship, providing exquisite finishes with today's most sought-after features.

The unique location of Hickory Falls provides residents the opportunity to enjoy a round of golf and lite fare at the Old Hickory Golf Club next door, or enjoy the historic charm of downtown Occoquan with its unique stores, craft shops and restaurants just minutes away. Within close proximity to I-95 & 495, Hickory Falls also offers a multitude of shopping, dining and entertainment at the new Potomac Town Center. Plus, with the VRE Station nearby, commuting to Washington D.C. is a breeze. If anything rivals the setting of Hickory Falls, it's the design of the homes themselves.
