Basheer & Edgemoore Recieves Top Honors at 2015 Great American Living Awards

Tysons Corner, VA (October 2015) – Basheer & Edgemoore was proud to receive top honors at the 2015 Great American Living Awards (GALA) on Thursday, October 8th, at the McLean Hilton in Tysons Corner, VA. These annual awards recognize and celebrate excellence in design, sales, architecture, and marketing in the Washington, D.C. Metropolitan area and outlying areas.

This year, Basheer & Edgemoore's newest luxury townhome community, Turtle Point, received top honors in two categories:

Best Design & Architecture, Attached Home \$700,001 - \$850,000 for the Jamison Model
Best Interior Merchandising, Attached Home \$700,001 - \$850,000 for the Norbury Model.

Each homesite at Turtle Point was created with a distinct color palette that seamlessly blends into the beauty of its natural surroundings. Charleston-style façades were designed to maximize the use of both outdoor and indoor space to live like a single-family home. By dividing the homes into fifteen separate clusters around the neighborhood, extensive open spaces were created, augmented by tree plantings and common areas for everyone to enjoy. Each home provides outdoor verandas and terraces that maximize the views of community amenities, that include golf, tennis, hiking, biking and swimming.
